NEWSFLASH

Dear Parents and Friends

We hope that you had a good half term. So many of the children seem to have done exciting things over the break. Both staff training days were very useful and Mrs Bachelor won a book written and signed by Adam Hart-Davies who was to be the key note speaker at our science day, but who was, unfortunately, unable to attend through illness. His replacement, however, was Johnny Ball, who some of you may remember from earlier days on television.

Thank you to parents who provided cakes for First Friday today. Thanks also to those families who have donated a brick towards the cost of our new building project. Mrs Aladin has kindly organised this, helped by Mr Glauert, who collected the bricks for us to put designs on.

I shall be out of school on Thursday and Friday attending a conference of the Taunton Learning Partnership. This, as you may know, promotes collaboration between all Taunton Schools and enhances provision for children and teaching staff across the town.

Clubs

There will be no netball next Friday due to the conference, and no Gardening on Monday due to a football fixture

Children in Need - 20th November - The PTFA have organised a "come-in-your-pyjamas breakfast" at school to raise funds for Pudsey Bear. More details next week.

Our annual Rainbow Fair will be on Friday 27th November from 4-5.30. Full details next week.

LUCKY NUMBERS

"Many apologies from a lax ex PTFA committee member for the lack of draws for June and July earlier this year. For June the 1st prize of £5.63 goes to Clare Oakes, the second prize of £1.87 goes to Liz Rich. For July the 1st prize of £5.63 goes to Helen Keeble, the second prize of £1.87 goes to Mrs McCarthy."

Jan McCarthy
